Burger Descriptive Writing
Grades: *[None assigned]*
Description:
Use this template to complete a descriptive paragraph.

[Customize](#) [Assigned](#)

Click the Customize button.

You will see a message that a copy of this activity will be placed in your My Projects folder. This will be where you will find the customized activity.

Click the OK button.

The activity will open in Wixie.

Make any changes you want to the activity.

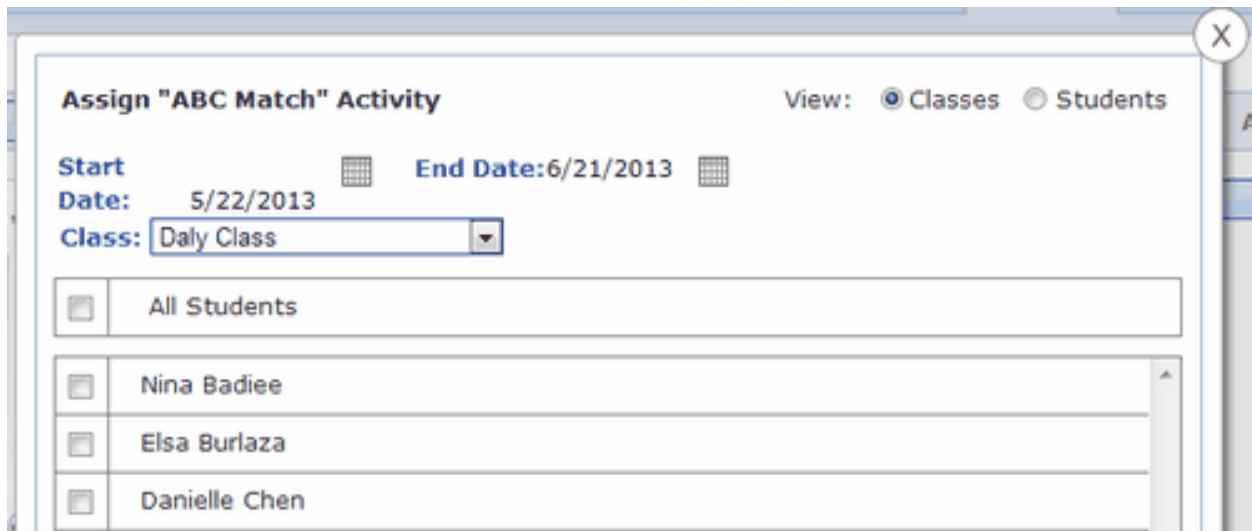

When you are finished, click the Wixie button and choose Home.

You will return to the Activities Detail page for the project you edited.

You will see a preview of the project.

Click the Assign button.

You will see a dialog that will allow you to assign the activity to a class or individual students.

Click the Start Date calendar to select the first day you want students to see the activity in Wixie.

Click the End Date calendar to select the last day you want students to see the activity in Wixie.

Use the Class pull-down menu to select the class of students you want to view.

If you want every student in the class to see the activity, click the All students check box.

If you only want individual students to see the activity, click the check box for each student.

To assign the same activity to students in another class, select the class using the Class pull-down menu.

When you are finished choosing students, click the Save button.

You will see the activity on the Assignments page.

The students you selected will see the activity on the dates you specified.
